§ 1 Application – Validity

(1) MADRISA TRAIL KLOSTERS (hereinafter referred to as MTK) is an event organized by the local association Runningsports.

(2) The General Terms and Conditions are published on the Internet at www.madrisatrail.ch. They form an integral part of the contract between the organizer and the participant in the version valid at the time of registration.

§ 2 Conditions of participation – Safety measures

(1) All healthy, experienced, and well-trained runners **who have reached the age of 10 (T11), 14 (T24), or 16 (T33 and T54)** are eligible to participate. Each participant bears full personal responsibility for his/her state of health. They must be aware of the distance and special features (night, cold, possible snow, rain, wind, altitude) of the event and prepare themselves accordingly. Anyone who has duly registered and is in possession of an official MTK race number is eligible to participate.

(2) Organizational measures will be announced to participants by the organizer before the start of the event. The instructions of the organizer and its appropriately identified staff must be followed at all times. In the event of violations that disrupt the proper course of the event or endanger the safety of other participants, the organizer is entitled to exclude the person concerned from the event at any time and/or to disqualify them. Legally binding declarations can only be made to participants by the organizer's authorized personnel. The participant expressly declares that they accept and will strictly comply with the protective measures of the organizer and the authorities applicable during the event period!

(3) All rules, instructions, and specifications contained in the announcement and supplementary instructions constitute a direct contractual obligation on the part of the participant. The participant must assert any claims of any kind in connection with the contract or the services provided by the organizer against runningsports within one month after the end of the event, following the contractually agreed end of the MTK.
